

## IMPORTANT DISCLOSURES

Last Updated: June 30, 2024

This Website has been published by Sandalwood Securities, Inc. ("Sandalwood" or the "Firm"), an SEC registered investment adviser. Registration does not imply any specific level or skill or training. Use of the Website is solely at your risk. This Website is limited to the dissemination of general information regarding Sandalwood's investment advisory services to United States residents residing in states where providing such information is not prohibited by applicable law.

References to investments made by Sandalwood's "family office" on this Website refer investments made by Sandalwood's personnel for their individual accounts (or those of entities under the control of such Sandalwood personnel). Sandalwood is not (and has never been) a "Family Office" and is not (and has never been) affiliated with a "Family Office," as such term is defined under the Investment Advisers Act of 1940, as amended ("Advisers Act") (and the exclusions from investment adviser registration thereunder).

This Website is provided for informational purposes only and nothing herein constitutes investment, financial, legal, tax or other advice, recommendation, or research tailored to the needs of any specific current or prospective client or investor. Sandalwood exclusively manages privately offered pooled investment vehicles (each a "Fund") and does not provide services to clients other than the Funds. Sandalwood does not provide personalized investment advice to investors through this Website or otherwise. Accordingly, nothing herein should be construed as a solicitation or offer to sell or buy securities; a recommendation to engage in a particular investment, tax, or legal strategy; or the provision of personalized investment, tax, or legal services. Before investing in a Fund, prospective investors should consider their individual needs and objectives in consultation with their investment, tax, and legal advisors.

This website does not constitute an offer to sell or the solicitation of an offer to purchase any securities, including any securities or the Funds. Any such offer or solicitation may be made only by means of the delivery of a confidential private offering memorandum or other and/or other offering and governance documents of any given fund or account (the "Offering Documents"), which will contain material information not included herein regarding, among other things, information with respect to risks and potential conflicts of interest. The information in on this website is qualified in its entirety and limited by reference to such Offering Documents, and in the event of any inconsistency between this document and such Offering Documents, the Offering Documents shall control. This website should not be used as the sole basis for making a decision to invest in any Fund. In making an investment decision, you must rely on your own examination of a Fund and the terms of any offering.

All statements and opinions included on this Website are subject to change as economic and market conditions dictate and do not necessarily represent the current views of Sandalwood. Any projections, examples, or analyses in communications on this Website may be based on subjective assessments and assumptions and may use alternative methodologies that produce different results depending upon the methodology used. Projections, examples, or analyses should not be viewed as factual and should not be relied upon as an accurate prediction of future results. There can be no assurance that any views, outlooks, projections or forward-looking statements included herein will come to pass. In addition, this Website may contain performance and other data. Investing involves risk, including the potential loss of principal, and the performance of any particular investment strategy or product cannot be guaranteed. It should not be assumed that the future results of any specific investment or investment strategy (including any investment or investment strategy discussed on this Website) will be profitable or equal performance or other data portrayed herein. PAST PERFORMANCE IS NOT INDICATIVE OF FUTURE PERFORMANCE.

Information and content throughout this Website, whether stock quotes, charts, articles, or communications regarding market or other financial information is provided by Sandalwood or obtained from third-party sources that Sandalwood believes to be reliable. Sandalwood and third-party providers of information do not warrant that the content is accurate, reliable or correct; that information will be updated; that the Website will be available at any particular time or location; that any defects or errors will be corrected; that

unauthorized access to or misappropriation of the content will not occur; or that the content is free of viruses or other harmful components.

This Website may contain links to other websites. Sandalwood has no control over the organizations that maintain the websites or the information, products or services these organizations provide. Sandalwood makes no representation about, and assumes no responsibility for, the content, accuracy, completeness, timeliness, suitability or legality of the content of any such websites, or for any products or services that might be offered therein. Sandalwood does not recommend or endorse these organizations or their products or services.

The content of this Website is owned by Sandalwood, its suppliers, or third parties and is protected by intellectual property rights, including copyrights, with all rights reserved. No permission is granted to copy, distribute, modify, post or frame any text, content, graphics, video, audio, software code, or user interface design or logos. The information contained on this Website shall not be published, rewritten for broadcast or publication or redistributed in any medium without prior written permission from Sandalwood.
